Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit includes performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of William J. Brennan, Jr. Center For Justice, Inc. and Affiliate as of June 30, 2020, and the changes in its net assets, and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2020 And 2019

(1) SIGNIFICANT ACCOUNTING POLICIES

ORGANIZATION AND PURPOSE

William J. Brennan Jr. Center for Justice, Inc. and Affiliate (collectively the "Center") founded in 1995, is incorporated pursuant to the provisions of the Not-for-Profit law of New York State.

The Center is a public policy institute dedicated to strengthening democracy and securing justice, through law, scholarship, education and advocacy. The Center is independent and nonpartisan. Consistent with the ideals of Supreme Court Justice Brennan, the Center believes that a "living constitution" is the genius of American law and politics – and that the test of our institutions is the ability to apply timeless constitutional values to a changing world.

PRINCIPLES OF CONSOLIDATION

In May 2006, the Brennan Center Strategic Fund, Inc. (the *"Strategic Fund"*) was founded by members of the Board of Trustees of the Center as an organization exempt from Federal income taxes under Internal Revenue Code Section 501(c)(4). The Strategic Fund, Inc. is permitted under applicable income tax regulation to conduct lobbying activities beyond those allowed to Section 501(c)(3) organizations and it is intended to supplement and complement the efforts of the Center, consistent with the Center's mission. The consolidated financial statements include those of the Center and the Strategic Fund. All inter-company transactions have been eliminated.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

CONCENTRATION OF CREDIT RISK

The Center occasionally maintains deposits in excess of federally insured limits. Accounting Standards Codification *("ASC")* 825, *"Financial Instruments"*, identifies these items as a concentration of credit risk requiring disclosure, regardless of the degree of risk. The risk is managed by monitoring the financial institutions in which deposits are made.

NET ASSETS

A description of the three net asset categories follows:

Without Donor Restrictions – Net assets that are not subject to donor-imposed stipulations and that may be expendable for any purpose in performing mission of the Center.

Undesignated - include the revenues and expenses associated with the principal mission of the Center.

Board-Designated Brennan Future and Legacy Funds – these two special funds are designated by the Board to ensure the ongoing solvency of the Brennan Center and to ensure the organization has sufficient reserves to address potential crisis as well as the ability to rise to take advantage of new, strategic and/or unanticipated opportunities and initiatives. Income earned on each of these funds is undesignated and Board approval is necessary for any withdrawal of funds from the original corpus.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - (Continued)

June 30, 2020 And 2019

The Brennan Legacy Fund was created in fiscal year 2016: in fiscal year 2019, the Board approved the transfer of previously classified quasi-endowment funds to be included with the Brennan Legacy Fund; in March 2020, the Board approved the transfer of funds necessary to have the Brennan Legacy Fund hold \$40,000,000 in net assets as of June 30, 2020.

The Brennan Future Fund was created in fiscal year 2020 by a Board approved transfer of \$25,000,000 as of June 30, 2020. It is intended to be a five-year fund and to be spent down by fiscal year 2025.

Total net assets as of June 30, 2020 of \$40,000,000 in the Brennan Legacy Fund and \$25,000,000 in the Brennan Future Fund, respectively, are included with net assets without donor restrictions.

With Donor Restrictions – Net assets subject to donor-imposed restrictions that will be met either by actions of the Center or the passage of time. Items that affect this net asset category are gifts for which donor-imposed restrictions have not been met in the year of receipt, including gifts; pledges; and investment returns on "true" endowment funds. Expirations of restrictions of net assets with donor restrictions are reported as net assets released from restriction.

Also included in this category are net assets subject to donor-imposed restrictions to be maintained permanently by the Center, including gifts wherein donors stipulate that the corpus of the gift be held in perpetuity (primarily gifts for endowment) and that only the income be made available for operations or other purposes.

CASH AND CASH EQUIVALENTS

Cash and cash equivalents consist primarily of cash in bank accounts, money market accounts and certificates of deposit which have original maturities of less than three months.

INVESTMENTS

The Center records its investments at fair value with the resulting gains and losses reported in the statement of activities. The investments consisting of units owned by the Center in a pooled investment fund maintained by New York University School of Law (the *"School of Law"*) are reported at fair value provided by the School of Law based upon quoted market prices or values provided by the School of Law's fund managers. The fair value of mutual funds is determined based on quoted market prices.

FURNITURE AND EQUIPMENT

Property and equipment purchases are recorded at cost. Depreciation is provided over the estimated useful lives of the assets using the straight-line method.

The depreciable years utilized by major asset categories are as follows:

Description	Year
Leasehold improvements	16
Furniture and equipment	3-16

When an asset is sold or retired, the cost and accumulated depreciation are removed from the respective accounts. Maintenance, repairs and minor renewals are charged to operations as incurred.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - (Continued)

June 30, 2020 And 2019

REVENUE RECOGNITION

The Center recognizes contributions as revenue when they are received or unconditionally pledged and records these revenues as without or with donor restrictions support, according to donor stipulations that limit the use of these assets due to time or purpose restrictions. Grants and contributions receivable are reported at their discounted present value, and a provision is made for amounts estimated to be uncollectible.

The Center reports gifts of cash and other assets as donor restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, with donor restricted net assets are reclassified to without donor restrictions net assets and reported in the consolidated statements of activities and changes in net assets as net assets released from donor restrictions.

Fee for service income received for performing legal and other services is recorded when earned. Costs related to such programs and services are expensed as incurred.

ADVERTISING COSTS

Advertising costs are expensed as incurred.

INCOME TAXES

The Center is exempt from Federal income taxes under Section 501(c)(3) and the Strategic Fund is exempt from Federal income taxes under Section 501(c)(4), of the Internal Revenue Code. Accordingly, no provision for Federal income tax has been recorded in the consolidated financial statements.

Management has reviewed the tax positions for each of the open fiscal tax years (2017 - 2019) or expected to be taken in the Center's fiscal 2020 tax return and has concluded that there are no significant uncertain tax positions that would require recognition in the financial statements.

COMPARATIVE INFORMATION

The financial statements and financial statement display include certain prior-year summarized comparative information in total but not by net asset category. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Center's financial statements for the year ended June 30, 2019, from which the summarized information was derived.

RECENT ACCOUNTING PRONOUNCEMENTS ADOPTED

In June 2018, the FASB issued ASU 2018-08, Not-for-Profit Entities (Topic 958): *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made.* The amendments in this update will assist entities in evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) or as exchange (reciprocal transactions) and determining whether a transaction is conditional. ASU 2018-08 is effective for fiscal years beginning after December 15, 2019. The ASU should be applied using a modified prospective basis. The Center plans to adopt the new ASU at the required implementation date. ASU 2018-08 was implemented in fiscal 2020 and did not have a material effect on the financial statements.

ACCOUNTING PRONOUNCEMENTS - NOT YET ADOPTED

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers* (Topic 606) (ASU 2014-09). The ASU establishes a comprehensive revenue recognition standard for virtually all industries under generally accepted accounting principles in the United States (U.S. GAAP) including those that previously followed industry-specific guidance. The guidance states that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The FASB issued ASU 2015-14 in August 2015 that deferred the effective date of ASU 2014-09 to fiscal years beginning after December 15, 2018, then further issued ASU 2020-05 in June of 2020 delaying implementation by another year to fiscal years beginning after December 15, 2019. The Center plans to adopt this new ASU at the required implementation date.

In 2016, the FASB issued ASU 2016-02, *Leases* (Topic 842). The ASU changes the accounting treatment for operating leases by recognizing a lease asset and lease liability at the present value of the lease payments in the statement of financial position and disclosing key information about leasing arrangements. The ASU is effective for private entities for fiscal years beginning after December 15, 2021. Early adoption is permitted. The ASU should be applied at the beginning of the earliest period presented using a modified retrospective approach. The Center plans to adopt the new ASU at the required implementation date.

(4) INVESTMENTS

A portion of the investments consists of units owned by the Center in a pooled investment fund maintained by the School of Law for its long-term investments. The pool is managed to achieve the maximum prudent long-term return and is made up of various underlying investments including both public and private equities, diversifying assets, real assets and fixed income investments. The board of directors has authorized a policy designed to allow growth while providing a predictable flow of support to operations. This policy permits the use of total return at approved spending rates applied to the three-year moving average fair value of the investment pool. In addition, the proceeds from a term endowment gift, a portion of the Brennan Future Fund, Brennan Legacy Fund and other operating reserves have been invested in various mutual funds. The fair value of investments as of June 30, 2020 and 2019 is as follows:

The Center used various methods to measure the fair value of its investments on a recurring basis. Generally accepted accounting principles establish a hierarchy that prioritizes inputs to valuation methods. The three levels of inputs are described below:

- Level 1 Unadjusted quoted prices in active markets for identical assets or liabilities that the Center has the ability to access.
- Level 2 Observable inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. These inputs may include quoted prices for the identical instrument on an inactive market, prices for similar instruments, interest rates, prepayment speeds, credit risk, yield curves, default rates and similar data.
- Level 3 Unobservable inputs for the asset or liability, to the extent relevant observable inputs are not available, representing the Center's own assumptions about the assumptions a market participant would use in valuing the asset or liability, and would be based on the best information available.

The inputs methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

The summary of inputs used to value the Center's investments as of June 30, 2020 and 2019 are as follows:

	2020

In determining fair value, the Center utilizes the net asset valuations provided by the School of Law for the pooled investment fund. There is no active market in the pooled investment fund from which to base fair value and is measured using the net asset value practical expedient. Because of the absence of transparency into the investments of the pooled investment fund, the Center relies on the valuations applied to the pooled investment fund's portfolio by the School of Law. The values assigned to the investments in the pooled investment fund's portfolio are the responsibility of the School of Law and may involve the use of estimates as to the value of their portfolios. Redemptions from the pooled investment fund can be made on a daily basis.
